   of code in terms of manageability and scalability and also teach them best practices and also improve their vision
5. Delivery the product to the client with support
6. Sending regular status update to ensure transparency

Education:

BSC Eng. In Computer Science and Engineering, 2014

University: Rajshahi University Of Engineering and Technology

CGPA: 3.53/ 4.00 scale

Higher Secondary Certificate (HSC), 2008

College : Adamjee Cant. College

GPA: 5.00/5.00 scale

Secondary School Certificate (SSC), 2006

School: Civil Aviation High School

GPA: 4.81/5.00 scale

Research Interest:

Face Recognition, problem solving, Computational Geometry, Software development

Research Experience:

Completed my research on Face Recognition under Associate Professor Dr. MD. Rabiul Islam

Under Graduate projects:

[Java] Plagiarism Software

Language : Java (j2se) , MySQL

Environment : Netbeans IDE, Cross-platform

[Java] Desktop Calendar with reminder facilities

Language : Java (j2se) , MySQL

Environment: Netbeans IDE, Cross-platform

[Java] Shop management software

Language : Java (j2se) , MySQL

Environment: Netbeans IDE, Cross-platform

[Java] School Management Software

Language : Java (j2se) , MySQL

Environment: Netbeans IDE, Cross-platform

[Java] Paper Browser

A CD, containing all submitted papers, was provided to all participants of ICECTE
Conference- 2012. This paper browser was installed on the cd to make searching and reading
papers easier and faster.

Language : Java (j2se)

Library : Web Browser

Environment: Netbeans IDE, Cross-platform

[Web development] Website for the CSE dept. of RUET

Language : PHP , MySQL

Platform: Netbeans IDE

A web application where all gnomes will be found and their related gene sequence can be
found by search and Groups can be opened , papers , pictures ,files can be shared and
enzymes can be ordered to vendors and Bio-informatics product buying-selling management .

Non-academic Projects:

[Java] Desktop Notebook

Language : Java (j2se) , MySQL

Environment: Netbeans IDE, Cross-platform

[Java] Media Player

Browsing all media files of hard disk, search by album name, artist name, song title etc and
playing.

Language : Java (j2se) , MSSQL

Environment: Netbeans IDE, Windows

[Joomla] Top X- rated Product list

Browsing all media files of hard disk, search by album name, artist name, song title etc and
playing.

CMS: Joomla , Virtuemart (component)

Environment: Netbeans IDE, Windows

[PHP] Multizon Website

url: (http://paktimes.com/mobiles, http://paktimes.com/classified)

Language : PHP

[Joomla] Online Sports Trainer

Online training on 12 different sports (paid service with 1 month free trial)

url : http://yoursportstrainer.com

CMS : Joomla

Other Achievements :

1. Got Accepted on 300 problems of UVa online Judge (http://uhunt.felix-halim.net/id/57129).

2. Attained ICPC-2011 (First place in Rajshahi region)
   http://www.northsouth.edu/acm/Final_Standing_2011.htm (Team : RUET_%I64d)

3. Attained ICPC- 2010
   http://www.northsouth.edu/acm/Result2010.pdf (Team : RUET_%I64d)

4. Attained NCPC- 2010

5. Attained first place in Programming Contest organized by RUET Programmer's Association

6. Attained on more than 50 online contests on Uva, Topcoder, Codechef, LightOJ, SPOJ

Co- Curricular Activities:

Programming contest, Software development contest, Helping others about technology, Blogging, Knowledge sharing, Gaming, Football, Cricket, Chess.

"I certify that all information stated in this, is true and complete to the best of my knowledge and belief."

Yours truly
Ujjal Suttra Dhar
